

**W**elcome! Northeast Delta Dental is pleased to offer stand-alone dental plans to individuals, families, and eligible businesses through the Health Insurance Marketplace (HIX) in Maine.

The Northeast Delta Dental–HIX dental plans are designed to meet the Pediatric Dental Benefit included as one of the ten Essential Health Benefits under the Patient Protection and Affordable Care Act. Dental coverage provided for Pediatric Enrollees must meet certain criteria established by the State of Maine. The Pediatric Enrollee benefits presented herein meet these criteria.

Unlike traditional dental plans that have an annual benefit maximum for each enrollee, the Northeast Delta Dental–HIX dental plans instead have a Plan Year Out-of-Pocket Maximum for pediatric enrollees (see “Who’s Eligible?”). Only expenses incurred for covered services received from Delta Dental PPO network dentists accrue toward the Pediatric Enrollee out-of-pocket maximum. Once the out-of-pocket maximum is reached by a Pediatric Enrollee at any point during a plan year, all covered dental services received for the remainder of that plan year will be covered by Northeast Delta Dental at 100%. Coverage levels will automatically reset to their regular levels on the first day of the following plan year.

## Delta Dental PPO

The Northeast Delta Dental–HIX dental plans utilize Delta Dental’s PPO network of participating dentists. You will get the best value from your Delta Dental Plan when you receive your dental care from a PPO dentist:

- ✓ **No Balance Billing:** Because participating PPO dentists accept Northeast Delta Dental’s allowed fees for services, you will typically pay less when you visit a participating PPO dentist.
- ✓ **No Claims Paperwork:** Participating dentists will prepare and submit claims for you.
- ✓ **Direct Payment:** Northeast Delta Dental pays participating dentists directly, so you don’t have to pay the covered amount up front and wait for payment.

To find out if your dentist participates with us, try the following: call your dentist, visit our website at [www.nedelta.com/LocalDentistSearch](http://www.nedelta.com/LocalDentistSearch), or call Customer Service at 1-800-832-5700.

## Claim Process for Participating Dentists

Present your ID card to your dentist at the time of your visit. Your participating dentist will submit your claim to Northeast Delta Dental (claims for any of your covered dependents should be submitted under *your* Subscriber ID number). Northeast Delta Dental will send you an Explanation of Benefits (E.O.B.) detailing what has been processed under your plan’s coverage. You are responsible to pay any outstanding balance directly to the dentist.

## Non-Participating Dentists

If you visit a non-participating dentist, you may be requested to bring a claim form (available by calling Northeast Delta Dental or by visiting [www.nedelta.com](http://www.nedelta.com)). Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignments of benefits be honored and Northeast Delta Dental receives written notice of an assignment on the claim form before payment for benefits is made. Payment for treatment performed by a non-participating dentist will be limited to the lesser of the dentist’s actual submitted charge or Delta Dental’s allowance for non-participating dentists in the geographic area in which services are provided. It will be your responsibility to make full payment to the dentist. When there is not sufficient fee information available for a specific dental procedure, Northeast Delta Dental will determine an appropriate payment amount.

## Predetermination of Benefits

Northeast Delta Dental recommends that you ask your dentist to submit a *pre-treatment estimate* for any dental work involving costly or extensive treatment plans. Certain specified procedures expressly require Prior Authorization, as defined below.

## Who’s Eligible?

You, the Subscriber if under the age of nineteen (19) on the effective date of your dental benefit plan, and any enrolled Eligible Dependent under the age of nineteen (19) on the effective date of your dental benefit plan. All such enrollees are considered Pediatric Enrollees

## Key Definitions

**Deductible:** The portion of the charge for covered services that an enrollee must pay before Delta Dental’s payment responsibility begins.

**Office Visit Co-pay (OVCP):** With a few exceptions, each time a person covered under this dental plan visits a dentist to receive covered services, that person must pay an Office Visit Co-pay. The OVCP will be applied after any applicable Deductible and Coinsurance Percentage.

**Out-of-Pocket Maximum:** The maximum amount you are required to pay for deductibles, copayments, and coinsurance for covered services on behalf of each Pediatric Enrollee. The Out-of-Pocket Maximum is \$700 per Plan Year per Pediatric Enrollee, up to a maximum of \$1400 per family.

**Plan Year:** The time period commencing with the effective date set forth in the Contract Application and continuing for the twelve (12) month period thereafter.

**PPO:** Preferred Provider Organization made up of dentists who have signed an agreement to participate as members of the Delta Dental PPO network.

**Prior Authorization:** A required administrative procedure by which the dentist submits a proposed treatment plan to Northeast Delta Dental in advance of performing certain specified procedures of dental care for approval based upon standardized and valid risk assessment tools or a Northeast Delta Dental consultant’s review.
