

Our Mission

To advance the oral health and overall wellness of our customers and the general public by providing innovative benefits and professional partnerships through diversified strategic business and philanthropic initiatives.

About Us

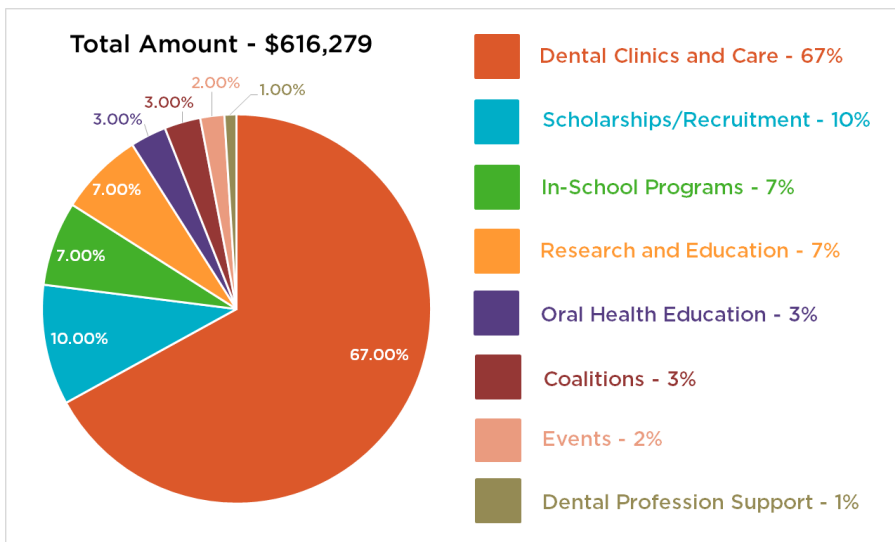

Founded in 1961, Northeast Delta Dental is comprised of the Delta Dental Plans of Maine, New Hampshire, and Vermont. Our dedication to delivering quality products and services—to individuals and families and groups of all sizes—is demonstrated through our Guarantee Of Service ExcellenceSM (GOSESM) program. Our GOSESM program is backed by a cash refund policy that guarantees seven major areas of service. Guided by our mission, we created the Health *through* Oral Wellness[®] (HOW[®]) program. HOW[®] is an innovative and comprehensive, patient-centered wellness program designed to help members maintain optimal oral health through education, risk assessment, and evidence-based models of care.

Northeast Delta Dental is a member company of Delta Dental Plans Association (DDPA), the nation's largest provider of dental benefits. DDPA is a network of 39 independent dental service organizations that conduct business in all 50 states, the District of Columbia and Puerto Rico. Our collaborative mission is to help improve the overall oral health of the nation by making dental care more available and affordable to the public through the expansion of dental benefits programs.
