

Welcome! This Northeast Delta Dental-Health Insurance Marketplace (FFM) dental plan meets the Pediatric Dental Benefits included as one of the ten Essential Health Benefits under the Patient Protection and Affordable Care Act (for individuals and families).

This dental plan has an annual benefit maximum for Adult Enrollees only (those over the age of 19). Pediatric Enrollees have, instead, a Maximum Out-of-Pocket (see “Key Definitions”). Only costs for covered services from Delta Dental PPO network dentists count toward the Pediatric Enrollee Maximum Out-of-Pocket. Once the limit is reached, all covered dental services for the rest of the plan year will be paid by Delta Dental at 100%. Coverage levels will reset to regular levels on the first day of the following plan year and a new Maximum-Out-of-Pocket will apply.

Delta Dental PPO: This dental plan uses Delta Dental's PPO network of dentists. You will get the best value from your Plan when you receive care from a PPO dentist.

No Balance Billing: PPO dentists accept Delta Dental's fees for services, meaning you will typically pay less when you visit a PPO dentist.

No Claims Paperwork: PPO dentists will submit your claims for you.

Direct Payment: Delta Dental pays PPO dentists directly.

To find out if your dentist is in the PPO network, you can call your dentist, visit our website at www.nedelta.com/LocalDentistSearch, or call Customer Service at 1-800-832-5700.

Delta Dental Premier. If you see a dentist who participates with Delta Dental as a Premier dentist but not in the PPO network, claim payments will be sent directly to the dentist. Payments will be based on the dentist's charge or Delta Dental's allowance for PPO dentist, whichever is less. Unlike a PPO dentist, a Premier dentist may bill you the difference between Delta Dental's payment and the Premier dentist's allowed fee.

Claims for Delta Dental Dentists: Show your ID card to your dentist and he or she will send your claim to Delta Dental for you and any of your covered family members under the ID number on your ID card. After your visit, an Explanation of Benefits (EOB) will be available to you. The EOB shows you how your claim was processed and will tell you if you owe anything to your dentist.

Claims for Other Dentists: If you visit a dentist who does not participate with Delta Dental, you may be asked to bring a claim form (available by calling us or by visiting www.nedelta.com). Claim payments will usually be made to you unless the state in which you received services requires “assignments of benefits”. In that case, we will send the payment to the dentist. Payments for services from dentists who do not participate with Delta Dental will be based on the dentist's charge or Delta Dental's allowance for non-participating dentists, whichever is less. Again, the EOB shows you how your claim was processed and whether you owe anything to your dentist.

Predetermination of Benefits: We recommend that you ask your dentist to submit a *pre-treatment estimate* for any costly or extensive dental work. Predetermination is free and it helps you estimate any out-of-pocket expenses you may have. Some procedures require Prior Authorization for children. Please see your Insurance Policy for details.

Who's Eligible? You, your spouse (or Domestic Partner), your children up to age 26, and any incapacitated dependent children, regardless of age. Coverage differs based on the age of the enrollee.

Pediatric Enrollee: The Subscriber if under the age of nineteen (19) on the effective date of your dental plan, and any enrolled Eligible Dependent under the age of nineteen (19) on the effective date of your dental plan.

Adult Enrollee: The Subscriber if nineteen (19) years of age or older on the effective date of your dental plan, and any enrolled Eligible Dependent who is nineteen (19) years of age or older on the effective date of your dental plan.

Renewability: Your plan will automatically renew for a new twelve (12) month Plan Year if the premium continues to be paid. Premiums are subject to change annually in accordance with advance notice. You or Northeast Delta Dental may choose not to renew this plan upon advance notice. The plan will not be renewed if this dental program is no longer available.

Key Definitions:

Deductible: The portion of the charge for covered services that must be paid before Delta Dental's payment is made.

Maximum Out-of-Pocket: The maximum amount you will pay for covered services for Pediatric Enrollee(s) in any Plan Year. The Maximum Out-of-Pocket for each Pediatric Enrollee under this plan is \$350 per Plan Year, up to a maximum of \$700 per family. The Maximum Out-of-Pocket does not apply to Adult Enrollees.

Plan Year: The time period from your effective date through the end of the calendar year.

Plan Year Maximum: The maximum dollar amount Delta Dental will pay for each Adult Enrollee in any Plan Year. All benefits paid, including benefits for Diagnostic and Preventive services, are counted toward an Adult Enrollee's Plan Year Maximum. The Plan Year Maximum does not apply to Pediatric Enrollees.

PPO: Preferred Provider Organization made up of dentists who have signed an agreement to participate as members of the Delta Dental PPO network.

Prior Authorization: Some procedures require Prior Authorization for children. Please see your Insurance Policy for details. Your dentist must submit a proposed treatment plan to us to determine if coverage for the procedures will be authorized based on a dental consultant's review.

Non-Discrimination. Northeast Delta Dental does not discriminate on the basis of race, color, national origin, disability, age, sex, gender identity, sexual orientation, or health status in the administration of the plan, including enrollment and benefit determinations.

It is therefore important that you **READ YOUR INSURANCE POLICY CAREFULLY**. Benefit percentages are based on the actual charges submitted up to the maximum amount allowed Delta Dental PPO dentists. This plan has different features based on an enrollee's age. Specifically, enrollees under the age of 19 receive certain features that are different than enrollees age 19 or older. Not all time limitations and exclusions are shown herein.
