

Northeast Delta Dental fact sheet

Our mission

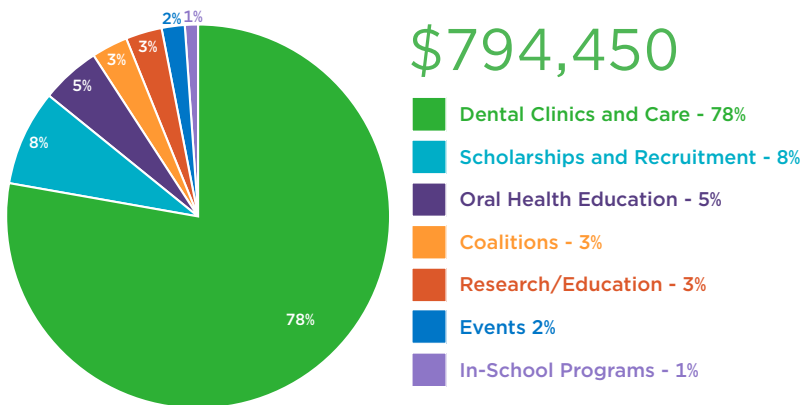

To advance the dental health and overall wellness of our customers and the communities we serve.

About us

Founded in 1961, Northeast Delta Dental is comprised of the Delta Dental Plans of Maine, New Hampshire and Vermont. Our dedication to delivering quality products and services—to individuals and families and groups of all sizes—is demonstrated through our Guarantee Of Service ExcellenceSM (GOSESM) program, backed by a cash refund policy that guarantees seven major areas of service. Guided by our mission, we also created the Health *through* Oral Wellness[®] (HOW[®]) program to help members maintain optimal oral health through education, risk assessment and enhanced preventive benefits for qualifying at-risk members.

Northeast Delta Dental is a member company of Delta Dental Plans Association (DDPA), the nation's largest provider of dental benefits. DDPA is comprised of a network of 39 member companies that conduct business in all 50 states, the District of Columbia and Puerto Rico.

Community support

The Northeast Delta Dental Foundation supports oral health initiatives throughout Maine, New Hampshire and Vermont through a grant application process. In 2024, the Foundation donated more than \$794,000 to oral health programs.

In addition, Northeast Delta Dental supports organizations and initiatives important to the communities throughout our three states through a corporate grant application process.
