

Your Credentialing Checklist: Get Started Today

The ADA® credentialing service, powered by CAQH provides a digital alternative to the slow and cumbersome traditional paper method. To streamline your credentialing paperwork process and spend more time with patients, any U.S. licensed dentist can use this service for no cost, regardless of their current ADA membership status.

Here's what you'll need to begin completing the simple form at [ADA.org/godigital](https://ada.org/godigital).

Your State License number(s).

A digital copy of your Professional Liability Insurance.

Practice Location information.

Your education and training information.

Your Individual NPI Number.

You May Also Need:

Hospital affiliation information.

A copy of your anesthesia license.

A digital copy of your DEA
(Drug Enforcement Administration) license.

A digital copy of your CDS
(Controlled Dangerous Substances) license.

Medicare numbers.

Medicaid numbers.

BLS (Basic Life Support) certification information.

ACLS (Advanced Cardiovascular Life Support)
certification information

Depending on the state in which you practice, additional information may be required. You will also be asked to sign one or more Authorization, Attestation, and Release documents after attestation.
